## PRE ELECTION

### CANDIDATES

Generally, the candidates campaigns were clean, without any dishonourable moments. Their behavior was a good example for a few of our more fanatic citizens.

### BAD MANNERS

Some of the candidates and even the wives of the mayoralty candidates received vulgar anonymous phone calls from a few fanatics. We also received many anonymous phone calls and letters, calling us biased for the silliest reasons, showing the standard of these anonymous people. They said we were biased because we wrote 100 more words under the introduction of Gordon Parkes; we were biased because we promoted the swimming pool, thereby promoting Gordon Parkes (in their minds); we were biased because we put Mayor Veness' advertisement in the centre page to the detriment of Gordon Parkes; we were biased because Mayor Veness' advertisement was always on page 3, giving him a great advantage; and we were also told that because we were biased a whole part of town would quit advertising in our paper, etc, etc. We have given you these few examples to show you what a huge task the rest of us will have to try to educate these few anonymous people to enable them to become decent and valuable members of our community. From all the letters we received regarding these unpleasant matters, only one was signed, and this we published under Letters to the Editor. All the other unsigned letters went into the wastebasket.

## Pre Election continued from page 1

### M.L.A. INTERFERENCE

Something that bothers us very much is the interference of our MLA Keith Everitt, in our town politics during the pre-election days. Mayor Veness and Gordon Parkes certainly do not need the help from any outsider during the election campaign, especially from an MLA who is not even a citizen of our town. This is the second time that Mr. Everitt has interfered in our local politics, and this we regret very much, as it is very unethical for an MLA. His own political friends in our town have told him clearly that they couldn't accept this behavior. Local Social Credits have phoned Mr. Kennedy, the provincial organizer for the Social Credit, and Mr. Kennedy wholeheartedly agreed that Mr. Everitt's political activities during the pre-election days in our town, were completely wrong.

### COFFEE PARTIES

Coffee parties were very popular during the pre-election period. Numerous parties were held all over town. We doubt if the candidate will meet many electors at these parties who haven't already decided for whom to vote, however, in a small group a discussion can be very interesting. We still believe in public meetings, where the question period (not written) is 3/4 of the whole meeting, under the capable supervision of an intelligent chairman. We sincerely hope that the Chamber of Commerce will think this over for the next election. Last, but not least, we would like to repeat that the candidates have shown that they know their responsibilities towards their community. We thank them for the correct way in which they presented themselves to the public.

# TOWN ELECTION

Discontented voters, numerous frustrating and confusing moments at the polling station marred our 1964 town elections. On the Thursday following the elections, our phone rang from 7 a.m. to 11 p.m., always people who were very disappointed regarding the setup of the polling stations.

We checked the three polling stations almost every 2 hours throughout the day, and we must agree that we were also disappointed. Who is to blame that Grandin Park, with as many electors as the other two districts together, had only one polling station, and that each polling station had only one D.R.O. Why were the scrutineers involved in actual voting activities? Why was the privacy of voting not assured? Why were the electors allowed to come in and out after the official 8 p.m. closing time? Why were some electors signing their ballots outside the polling booths? And last but not least, why did so many voters have to wait from 1 1/2 to 2 hours to cast their vote?

Mrs. Barbara Williams, Returning Officer, stated that she had asked Council for more D.R.O.'s which they refused, but one of the councillors informed us that he'd never heard of this request.

Grandin Park's polling station had the most trouble because 90% of their 2,000 voters are home owners and were eligible to vote on all the bylaws, which meant that they had 9 or 10 ballots. At the Community Hall, voting went much quicker, as only 60% of the Mission Park and Braeside voters were eligible to vote on the bylaws.

One could expect a protest reaction about this election by our citizens, and this has happened in Grandin Park where every householder is asked to give his or her opinion on the following questions on a petition.

"We, the undersigned, voters of the Town of St. Albert, certify that we voted at the Grandin Park Polling Division #3 in the general election held in the Town of St. Albert on October 14th, 1964, and hereby register our protest over the long wait, inconvenience and confusion at the above polling division."

### Sunday Concert

On Sunday afternoon, October 25 from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week Glasounov's The Seasons (Ballet) will be performed by Robert Irving & the Concert Arts Orchestra.

David Thompson, the Great Mapmaker The extraordinary story of David Thompson the great explorer and mapmaker, is vividly recreated in this film. The film re-enacts much of Thompson's story from his arrival as a young and somewhat lame clerk at Cumberland House, a Hudson's Bay Company post on the Saskatchewan River, to his journey, years later, across the Rockies and down the Columbia to the Pacific.

Corral The roping and riding of a high spirited horse is the subject for a film which makes visual poetry of this simple theme.

## Town Elections 1964

*continued from page 2*

"We, the undersigned, voters of the Town of St. Albert, certify that we attended the Grandin Park Polling Division #3 on October 14th, 1964 for the purpose of voting at the general election held in the Town of St. Albert, but were unable to do so because of the unreasonably long waiting period involved."

So far, 251 citizens have signed that they were unable to vote, and 310 citizens complained about the long wait and inconvenience. It is up to our council to find out what really happened, and what can be done to avoid these mistakes for future elections.

# ELECTION RESULTS

Mayor Veness topped the polls in Sturgeon Heights and Mission Park which brought him the victory over Gordon Parkes, with 56% of the total votes. The voters supported Mayor Veness in his plea for a Mayor Council system but defeated the Salary for Mayor Bylaw with 50.7% against. This will make it hard for any Mayor to fulfill his duties and responsibilities in a full time job as a volunteer. The new council will have to solve this problem, which will not be an easy one. Dick McGee topped the polls in Mission Park and Sturgeon Heights and took a safe 19.82% of the total votes over number 2, John Bakker, who topped the poll in Grandin Park. Dick Kehling was a good third with 10.22% of the total votes. All these councillors are new to St. Albert Council and we wish them all the best in this very responsible task they are taking on their shoulders. May the new Council find the way to guide St. Albert through the difficulties surrounding us. Our congratulations and all the best to the four elected men.

events committee is working to make this the fall's great occasion. At the dinner, Mr. R. Jickling, as chairman of the vision committee, will present a realistic appraisal of what a real partnership can accomplish, together with the definite proposals of his committee. In addition plans have been made to bring in a special speaker for the occasion. The executive is also preparing to take the vision, presented at the dinner, to the whole parish later in the month. A contact committee under the chairmanship of Mr. J. Proctor has been selected for this purpose and hopes to enlist the support of every Anglican in the program envisaged.

The success of last year's program in terms of increased interest, attendance, and willingness to serve, suggests that a great step forward will be made in 1965.

### From Our Readers

Dear Sir,

#### Our Town is Definitely Sick

I nominate as "RAT OF THE WEEK", the lady who, for the week prior to the election, and also on election day, phoned Mrs. Brenda Parkes, anonymously making vulgar noises and passing stupid, childish remarks, pertaining to the election. I would hope that this lady surely had more important things to do, such as attending to her own domestic affairs and looking after her children. It is quite pathetic and it seems to me that this lady should seek professional help!

The meeting was conducted by Mrs. F. Upton, vice president.

The ladies will make a special point to attend the funerals of senior citizens who have no families or close friends. Homes are still needed for Indian students between the ages of 16 and 25. Anyone interested is asked to contact Father Chevrier or Mrs. Chartrand.

Mrs. Krupa asked the ladies to bring cancelled postage stamps and old Christ-

## RECREATION BOARD

### Meeting Friday, October 2

Central Recreation Area Study Dr. Cuts moved that the Recreation Board endorse the By-law for the development of the school-parkland projects, and that the urgency of this matter be tactfully conveyed by a letter to the St. Albert Gazette urging the ratepayers to vote in favour, so that the work of the Recreation Board may be carried on.

Dr. Stewart moved that the Recreation Board deplore the action of the Local Authorities Board in not approving the approved By-laws for a Swimming Pool and Arena. The Recreation Board is of the opinion that the reason reported in the Edmonton Journal (Non inclusion in the 1964 fiscal program) is inconsequential as the expenditures required will not be necessary until 1965 at the earliest. By this autocratic action the Local Authorities Board has deprived the taxpayers of expressing effectively on obtaining their wishes regarding recreational facilities in the Town. The Recreation Board would like this resolution to be presented the Council at its next meeting for action at the discretion of Council.

### Recreation Budget and Hockey Committee

It was moved by Mr. Donais, that Mr. J. R. Gate be given the authority to request from Council the possibility of transferring available funds in the 1964 Budget Estimate for the purchase of Tot Lot equipment to the purchasing of a movable fence for the Grosvenor Park, and further requesting the possibility of allocating the money remaining of non expenditure for 1964 as a Grant to the various recreational groups in Town if necessary, in view of the latest request Figure Skating Mrs. Gregg was present on behalf of the Canadian Figure Skating Association and outlined their program to the Board.

St. Albert Sports Association 'Hercules' Mr. Deluce of the St. Albert Sports Association 'Hercules' presented a letter stating the financial position of the Association. Mr. Deluce queried as to the possibility of receiving some help from the Town to carry on their activities.
